Office of the Philadelphia Controller Christy Brady

City Controller & City Commissioners Primary Election Success

City Controller Christy Brady, joined by Commissioners Omar Sabir, Lisa Deeley, Seth Bluestein and their staff, Congressman Brady, Councilmember Driscoll, and poll workers, modernized a process to allow 7,700 poll workers to receive a total of \$1.8 million in just two weeks following the primary election.

Utilizing the new technology of the electronic poll books and streamlining the accounting and approval process through the Controller, Treasurer, Office of Innovation and Technology, and Finance offices, these crucial workers saw improvements in receiving payment from over an eight-week process, to just two.

Each month Controller Brady looks forward to bringing transparency and accountability of our City, right to you.
